Re: Modern Landfill RI/FS
January 1991 Progress Report

Dear Mr. Thornton:

Please find enclosed three copies of Modern Landfill's Final Feasibility Study and the April 1991 progress report for the Remedial Investigation/Feasibility Study (RI/FS). The progress report identifies activities conducted in April 1991.

This represents the final reporting required by Modern's RI/FS Work Plan and with this submittal Modern has successfully completed all tasks required by our November 4, 1987, Consent Order and Agreement (COA). No further monthly progress reports shall be submitted to the Department. We hereby request the Department's written concurrence that Modern has fulfilled its obligations under the terms of the COA.

If you have any questions regarding this transmittal please call me at (717) 246-2686.

Sincerely,

Matthew D. Neely, P.E.
Manager, Environmental Engineering
